

Specific Material Objection Form

Request for Reconsideration of Library Media

Part I:

As defined by Florida Statutes, a parent may object to his/her child's use of a specific instructional material or an adult student may object to the use of a specific instructional material in his/her instructional program. The parent or adult student should first request a conference with the school principal or principal's designee to discuss the use of the material. At this meeting, the parent or adult student should be given a copy of the Baker County School District Board Policy 4.13.

If the issue is not resolved at the conference, the parent or adult student should complete this form and submit it to the Executive Director of Teaching and Learning for the school district. The form may be mailed or submitted in person to:

Mr. Thomas Hill
Executive Director of Teaching and Learning
270 South Blvd. East
Macclenny, FL 32063

Upon receipt of this completed form, the Executive Director of Teaching and Learning or his designee will follow the steps outlined in the previously mentioned board policy to address the concerns of the parent or adult student related to the specific instructional material.

Part II:

Introduction

This form must be used by a parent or resident of this county, in conjunction with district policies and procedures, to submit an objection to the school board for the following material:

1. Materials used in a classroom in the district, except for instructional materials as defined in s. 1006.29(2), F.S. The process to object to instructional materials can be found at <https://tinyurl.com/mvyx9jem>. A digital copy of this form can be found at <https://www.bakerk12.org/Page/4596>.
2. Materials made available to students in a school or classroom library.
3. Materials included on a school or classroom reading list.
4. Instructional Materials adopted and made available to students without the opportunity for public notice, review and hearing procedures by districts that implement their own instructional materials program under s. 1006.283, F.S.
