

Baker County School District participates in the following grants. If you have input in either, please contact the Department of Curriculum and Instruction.

## Title II Part A Grant

The purpose of Supporting Effective Instruction is to provide grants to State educational agencies and subgrants to local educational agencies to —

1. increase student achievement consistent with the challenging State academic standards;
2. improve the quality and effectiveness of teachers, principals, and other school leaders;
3. increase the number of teachers, principals, and other school leaders who are effective in improving student academic achievement in schools; and
4. provide low-income and minority students greater access to effective teachers, principals, and other school leaders.

## Title IV Part A Grant

The purpose of Student Support and Academic Enrichment is to improve student academic achievement by increasing the capacity of state and local educational agencies in the following areas by:

1. providing all students with access to a well-rounded education,
2. improving school conditions for student learnings to support safe and healthy students, and
3. improving the use of technology in order to advance digital literacy of all students.
