For purposes of this Agreement, the term "Cooperating Teacher" shall be defined as the district school educator who is a fully certified teacher, has completed clinical educator training, and successfully demonstrated effective classroom management strategies that consistently result in improved student performance, and has been assigned to supervise the Intern,

working daily to assist in developing the professional growth of the Intern through demonstration of the instruction in teaching skills and attitudes, and working cooperatively with the College Supervisor and /or Area Coordinator in continuing evaluation of the Intern.

9. Interns shall not be considered as employees or agents of the College.
10. The College shall arrange meetings with appropriate School Board staff to review and evaluate the progress of internships, if needed, consistent with School Board staff availability. These meetings can be used for coordination and conflict resolution.
11. The College and its Interns shall obtain individual written approval before beginning any of the activities referred to in Section I of this Agreement. Such written approvals shall be on forms approved by both parties, and shall contain the signatures of all parties required by the form(s). The College and School Board shall use a procedure for placement of Interns that is agreed upon by the School Board Superintendent and the College President, or their respective representatives.

III. OBLIGATIONS OF THE SCHOOL BOARD

1. The School Board shall maintain sole responsibility for the instruction, education, and welfare of its pupils. The School Board shall be responsible for providing adequate staffing necessary to maintain the highest level of quality education for its pupils and appropriate Intern and College staff orientations.
2. The School Board agrees that Interns assigned to it for field experiences are under the supervision, control, and responsibility of the School Board.
3. The School Board shall determine the work location and assignment of Interns in collaboration with the College. Every effort shall be made to develop long term working relationships between teacher education programs and individual schools in order to provide a variety of continuous and coordinated field experiences, consistent with Florida Statutes 1004.04. These relationships may be articulated in written plans and attached to this agreement as addenda with the approval of both parties.
4. In consideration of the School's responsibility for the care and safety of its pupils, the School Board shall retain the right, in its sole discretion, to refuse or discontinue its facilities and services to any Intern or College staff and to remove an Intern or College staff who does not continuously meet the School's professional or other requirements or the requirements of any appropriate authority controlling and directing School Board facilities and services. Interns shall be instructed by the College to promptly and without protest leave an area whenever they are requested to do so by an authorized School Board representative. In the event of a threat to pupil safety, which shall be determined by the

School Board in its sole discretion, the School shall have the right to terminate the intern placement action immediately and shall both verbally and in writing notify the College and the Intern as soon thereafter as is practicable.

5. The School Board shall provide qualified Cooperating Teachers for Interns. Cooperating Teachers shall be resource persons for Interns and College staff. Cooperating Teachers selected by the School Board will: (a) assist in orienting Interns to the school, the classroom, and the pupils; (b) explain all school district policies, rules, and regulations to Interns; (c) provide prompt and substantive feedback to Interns regarding all performance activities and interactions with School Board personnel, pupils, and parents; (d) complete evaluations of Interns' progress and submit them to the College Supervisor, after review with the applicable Intern; (e) immediately inform the College Supervisor of any concerns regarding an Intern; (f) shall establish a time to regularly meet and discuss with Interns their activities, impressions, reflections, and suggestions for goals and areas of improvement; (g) supervise Interns on a daily basis – if the Cooperating Teacher is absent from the school for any reason, a school approved substitute shall be assigned to the classroom. Under no circumstances shall an Intern, even if he/she is certified, serve as the substitute of record during the student teaching experience unless a separate agreement has been negotiated in writing by the School Board and the College.
6. The School Board shall provide to the College and Interns the policies and procedures and other relevant materials necessary to allow Interns and College personnel to function appropriately within the School.
7. Interns assigned to the School Board shall follow the School's protocols for health and safety.
8. Interns shall be under the direct supervision of the Cooperating Teacher during internship responsibilities. A co-teaching model will be implemented during the internship. Co-teaching is defined as: organizing classroom instruction to reduce the student-adult ratio and/or take advantage of two teachers' expertise, skills and knowledge while maintaining continuous student progress. The "solo teaching time of no less than two weeks" if required by the College program, will still be implemented but under the close supervision and direction of the Cooperating Teacher who will assure that student progress is maintained.
9. The School Board shall permit Interns access to the library facilities/curriculum laboratories available to their personnel. Interns may not remove materials from the School Board without appropriate approval.
10. The School Board shall keep confidential and shall not disclose to any person or entity (a) Intern applications; (b) Intern health records or reports; and/or (c) any Intern records as defined in the Family Educational Rights and Privacy Act (FERPA), concerning any Intern

participating in the educational experiences provided by the School, unless such disclosure is necessary to meet the requirements of this agreement, is authorized by the Intern or is ordered by a court of competent jurisdiction. The School Board shall adopt and enforce policies and procedures necessary to protect the confidentiality of the Intern records as defined herein or as otherwise required by law.

11. Interns shall not be considered employees or agents of the School. Interns shall undergo a background screening pursuant to Florida Statutes 1012.32 and 1012.56, and applicable School Board policies and procedures.

IV. INSURANCE

1. The College agrees that the Interns shall assume personal responsibility for their own medical care and hospitalization.
2. The College shall, through the Florida College Risk Management Consortium and for the duration of their internship experience, maintain professional liability insurance coverage for the Intern of not less than \$2,000,000 per occurrence as assurance of accountability for any such loss, claims, liabilities, or expenses.
3. Interns shall be afforded the protection of law as specified in Florida Statutes 1012.39(3). The College will provide Workers Compensation Insurance for College employees who oversee the internship process.
4. Upon written request, a party shall provide the other party with evidence of insurance coverage mentioned in this section of this Agreement.

V. RESOLUTION OF CONFLICT

1. The Parties agree to periodically review and discuss the operation of the Agreement to ensure that each Party's objectives hereunder are being satisfied. The Parties shall confer as otherwise necessary to the administration of this Agreement.
2. In cases of conflict between an Intern and a Cooperating Teacher that cannot be resolved, an appeal shall be made to the College Supervisor. If resolution is not achieved, an appeal shall be made to the School Principal or designee. If resolution is not achieved, an appeal shall be made to the College and School Board liaisons. Final resolution of conflicts, if necessary, shall be made by the School Superintendent in consultation with the College's President.

2. This Agreement is not intended and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association between the College and the School Board and their employees, Interns, or agents, but rather is an Agreement by and among the two independent contractors. Each Intern is placed with the School Board in order to receive educational experience as part of the academic curriculum; duties performed by an Intern are not performed as an employee of the School Board but rather in fulfillment of the academic requirements of the educational experience and are performed under direct supervision by School Board personnel. Neither party shall have the power or authority to bind the other in any promise, agreement nor representation other than as specifically provided for in this Agreement. To the extent allowed under state law, neither the School Board nor the College is required to provide workers' compensation coverage for the Interns participating in the educational experience. The

College acknowledges that nothing in this Agreement shall be construed to confer any right upon the College or College personnel to participate in, control, or direct operations at the School. The Parties shall carry all necessary and appropriate insurance for itself, its employees and agents.

3. 5. The School Board shall timely notify the College when any College employee or Intern has been involved in a reported incident and the College shall have the opportunity to participate in any on-going investigation and shall have access to any oral or written reports and any other documentation related to the reported incident as allowed under Florida law.
6. The School Board and its employees shall not be entitled to compensation from the College for services or actions of benefit to the College which are part of or related to the educational program.
7. This Agreement constitutes the entire Agreement as to the rights and obligations of the parties hereto and supersedes all prior and contemporaneous agreements and undertaking of the parties, whether oral or written, pertaining to the referenced subject matter.
8. This Agreement may be amended at any time, provided, however, that any amendments, modifications or alterations shall be made only in writing and shall become effective only upon written approval of both the College and the School Board.

9. No waiver or breach of any term or provision of this Agreement shall operate, or be construed to constitute, nor shall be, a waiver of any other breach of this Agreement. All remedies, either under this Agreement, or by law or otherwise afforded, will be cumulative and alternative. All waivers to be effective shall be in writing and signed by a duly authorized officer of the waiving Party.
10. If any provision of the Agreement is held or determined to be illegal, invalid or unenforceable under any present or future law, and if the rights or obligations of the Parties under this Agreement will not be materially and adversely affected thereby, such provision will be fully severable; this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never complied a part hereof; the remaining provisions of the Agreement will remain in full force and effect will not be affected by the illegal invalid, or unenforceable provision or by its severance here from; and in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision similar to the such illegal, invalid or unenforceable provision.
11. This Agreement is not intended to create any rights or interests for any other person or entity other than the School Board or the College.
12. Each party to this Agreement represents and warrants that (i) it has the full power and authority to enter into this Agreement and to carry out the transactions contemplated hereby applicable to it; and (ii) it has taken all action necessary to authorize the execution, delivery and performance of this Agreement, and this Agreement has been duly executed and delivered to such party.
13. Each Party to this Agreement agrees to comply with all applicable federal, state and local laws, rules and regulations (Laws). In the event of a conflict, the Laws shall take precedent over any provision of the Agreement.

15. College and district supervisors shall have required training pursuant to Florida Statutes 1004.04(5).
